

PHP Laravel test (todo lists app)

Technologies:

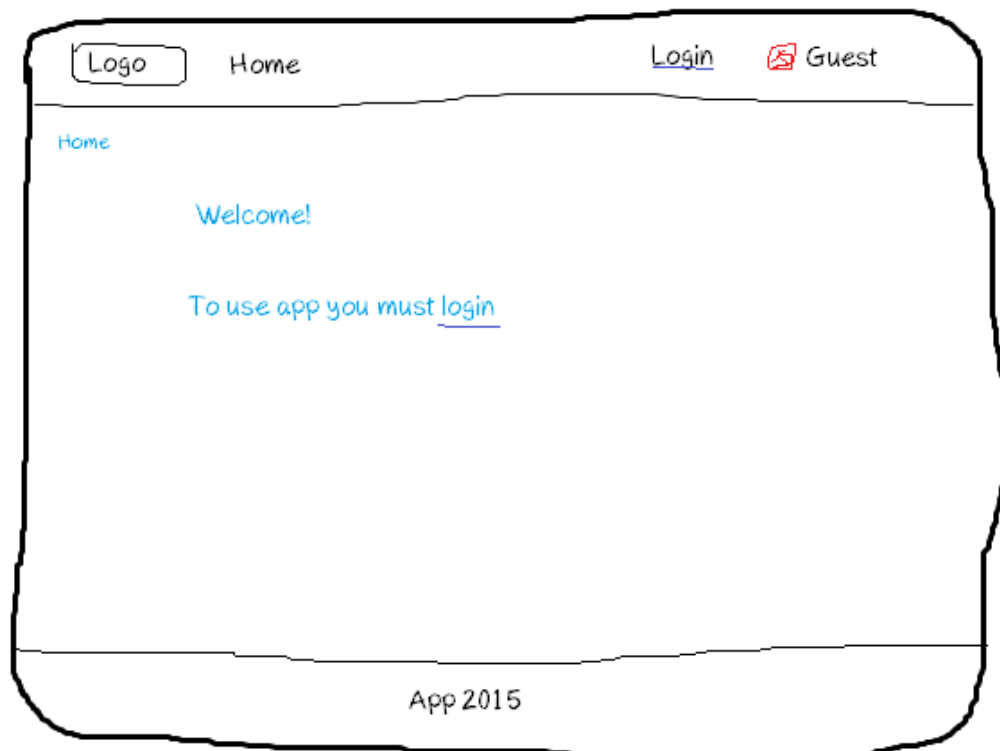

- PHP 5.3+
- Laravel 5
- SQLite or MySQL

Goal:

Create application with authentication for todo lists with tasks.

Mockup with explanation:

- Home page with simple message if user is not logged in

Menu is placed in header of page and show different menu items for logged in user. In header user have Login or Logout button. There is also Name of user with icon if user is logged in or "Guest" with icon if user is not logged in.

Pagination is placed below header.

- Login page with username and password input fields

A hand-drawn wireframe of a login page. The page is enclosed in a rounded rectangle with a thick black border. At the top, there is a header section. On the left, there is a box labeled "Logo". To its right is the text "Home". On the right side of the header, there is a link labeled "Login" and a red icon followed by the text "Guest". Below the header, there is a horizontal line. Underneath this line, on the left, is the text "Home / Login". In the center of the page, there are two input fields. The first is labeled "Username" and the second is labeled "Password". Both labels are to the left of their respective input boxes. Below the input fields, there is a button labeled "Login". At the bottom of the page, there is a horizontal line, and below it, the text "App 2015" is centered.

- Register page where guest (new user) can registers new account

A hand-drawn sketch of a web registration page. The page is enclosed in a rounded rectangle with a black border. At the top, there is a header bar. On the left of the header, there is a box labeled "Logo". To its right is the text "Home". On the right side of the header, there is a link labeled "Login" and a button labeled "Guest" with a red icon. Below the header, the main content area starts with a breadcrumb "Home / Register". Below this, there are four input fields stacked vertically, each with a label to its left: "Name", "Username", "Password", and "Confirm Password". Below these fields is a button labeled "Register". At the bottom of the page, there is a footer bar. On the left of the footer, there is a small logo consisting of three red dots. To the right of the logo is the text "App 2015".
